Subject: NCEA's comments on OPP's Glyphosate Review
Attachments: Memo on Glyphosate.11.20.15.doc

Hi Tom –

Attached please find NCEA's comments on OPP's Glyphosate Review, which reflect a review done by our senior epidemiologist.

These comments are focused on the epi section only and we did not perform an independent review of the literature.

I am sending this memo on behalf of Ken Olden.

I understand you have a meeting on Glyphosate next week. I believe separate briefing materials for that will be sent on Monday.

Please let me know if you have any questions.

Thanks.

Gina
